## Science(Class 2)

## C.A.E.H.S(Primary sec),2020

## Revision (Ch 1-Plants around us)

| <u>Tick the correct option(science copy)</u>                   |
|--|
|  |
| 1) Which of the following plants need support of other plants? |
| a) Tulsi   |
| b) Watermelon  |
| c) Grapevine   |
| d) Cotton  |
|  |
| 2) Which of the following plants are aquatic?                  |
| a) Hibiscus  |
| b) Cactus  |
| c) Mint  |
| d) Lotus   |
|  |
| 3) Banyan tree lives for                                       |
| a) Few months  |
| b) Few years   |
| c) Few days  |
| d)Hundreds of years  |

| 4) These kind of plants have hard woody stem called trunk . |
|---|
| a) Shrubs   |
| b) Creepers   |
| c) Trees  |
| d) Herbs  |
|   |
| 5) Which of the following plants grows along the ground?    |
| a) Grass  |
| b) Pumpkin  |
| c) Rose   |
| d) Bottle gourd   |
|   |
| Write the question and answers(science copy)                |
|   |
| Q.1) What are shrubs?Give eg:-                              |
| Ans 1)  |
|   |
|   |
|   |
| Q.2) What are trees?Name two plants that have thorns.       |
| Ans 2)  |
| •   |
