

**Science(Class 2)**

**C.A.E.H.S(Primary sec),2020**

**Ch 4-How animals help us(Revision)**

**Tick the correct option(write in science copy)**

**1. Which animal gives us meat and eggs?**

**a) Horse**

**b) Cow**

**c) Hen**

**d) Rabbit**

**2. Which animal lives in stable?**

**a) Hen**

**b) Horse**

**c) Sheep**

**d) Fish**

**3. Which animal can live without food and water for many days?**

**a) Crocodile**

**b) Giraffe**

**c) Camel**

**d) Donkey**

**4. Which of the following things is used to make shawl?**

**a) Rayon**

**b) Silk**

**c) Plastic**

**d) Wool**

**5. What are horses,elephants and donkeys called?**

**a) Ships of desert**

**b) Food factories of animals**

**c) Beasts of burden**

**d) Both (a) and (c)**

**6. What do we get from silkworms?**

- a) Honey                      b) Silkthreads                      c) Leather                      d) Wax

**7. Which animal can imitate human speech?**

- a) Dog                      b) Cat                      c) Parrot                      d) Monkey

**8. Where do rabbits live?**

- a) Coop                      b) Kennel                      c) Shed                      d) Hutch

---

**Answer the following questions(write in science copy)**

**1) What are domestic animals?Give two eg:-**

**Ans:-**

**2) What are the uses of wool and silkthreads?**

**Ans:-**

**3) Why camel is called "The Ship of the Desert"?**

**Ans:-**

**Draw/colour any two foods that we get from domestic animals**

**Fill in the blanks (write in science copy)**

1) Milk is used to make \_\_\_\_\_ and \_\_\_\_\_.

2) We get \_\_\_\_\_ and \_\_\_\_\_ from beehives.

3) A \_\_\_\_\_ guards our house.

4) We eat \_\_\_\_\_ of goat and fish.

5) Shoes and bags are made from \_\_\_\_\_.

---

**Match the following (write in science copy)**

1) Nectar

a) Cow

2) Snake

b) Honey

3) Cheese

c) Wool

4) Sweater

d) Leather
